For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.

Ephesians 2:10 (NKJV)

I pray that it comes as no surprise that saving you was just the beginning of the Lord's plans for you! If you are His, you are now the possessor of something tremendous: Kingdom Purpose! This is the activities (works) of your life that bring glory to God and expand His kingdom. They may be inside the church or outside the church walls. Some of your purpose may be fulfilled in unity with others while other works are completed by you alone. Remember, however, that the Lord prepared a special list of things for you to do for Him and that He did this before He said, "Let there be light". I say "special list" because you are a unique creation of the Most High God. No one can do things for Him in quite the same way that you can accomplish them.

So how do we know whether what we are doing at the moment is one of the, "good works God prepared beforehand"? I believe the answer is that, for the most part, we don't know. This is why the Holy Spirit commands us through Scripture, "*Therefore, whether you eat or drink, or whatever you do, do all for to glory of God*" (1 Cor 10:31). Why? Because a kind word spoken or an angry word restrained, an action taken or an evil one from which you refrain, is always a good work that the Lord desires in our lives. So moment-by-moment, today and every day, from this point forward live your life for the Lord. We never know the impact that it will have for His Kingdom!

The Lighthouse Shelter in Marion has finally been restored after the flood damage and reopened recently. This ministry provides much-needed services in our area and we are thankful for them. Cindy and I served to aid them in part of the restoration. We painted and did other restorative work within the shelter. Call of Grace also adopted one of the rooms in the shelter. We repaired the base of the walls which had been ripped out so they could dry. Then we painted and decorated the room, replacing some of the furniture as necessary. We also left a small "library" on the chest containing two Bibles, a hymnal, and some devotionals.

Now that the Lighthouse is open, we have resumed the weekly Bible study we facilitate there. This week it was taught by Jim and Beth; a couple whom God has called to aid us in this. They are one of five teams of teachers God has provided to help us in this ministry. I thank the Lord for each one of them. They are a blessing to the Lord, to those to whom they minister, as well as to Cindy and I.

The mission to Cairo, IL is coming up. We will be sharing the love of Jesus in Cairo Wednesday, July 26th, through Saturday, July 29th. Lord willing, this outreach will provide spiritual blessing as well as physical blessing in the forms of health care and needed material items. The mission culminates with a block party offering food and fun in a relaxed Christian atmosphere to those who come. Throughout this mission, we will be sharing the
