**"But now indeed there are many members, yet one body. And the eye cannot say to the hand, "I have no need of you"; nor again the head to the feet, "I have no need of you." "**

1 Corinthians 12:20-21 (NKJV)

I have said it before, "Together, we can do more." The Horseshoe Ministry proves my point. The Horseshoe Ministry is an outreach of the Believer's Southern Baptist Church in Wichita. The ministry model falls into the "marketplace evangelism" category where some object is given away to those who will listen to a Gospel presentation. The object given away in this case is a horseshoe stamped with the reference, John 3:16, along with the person's name.

How does the Horseshoe Ministry prove my point? There are 5 basic jobs that have to be done at the outreach: registering the people, stamping the shoes, painting the shoes, tagging the shoes, and sharing the Gospel. Now expand beyond the mission field to include those who order the supplies, donate God's provision to pay for it, pray for the mission each day, and all the other things I didn't mention that bring this mission together. Each job is crucial to the completion of the mission, which is sharing the Gospel to those who will hear, for without people to fulfill each of these roles, the whole process would fall apart. Do you see why I say, "Together, we can do more."?

The result of working together for the Lord? More than 3,500 people heard the Gospel presented in a one-on-one or small group setting. Of those who heard, 458 made a profession of faith in the Lord Jesus! Please be in prayer for the follow-up (another integral part of this mission) on your new Brothers and Sisters!

Cindy and I spent 7 days serving alongside our Brothers and Sisters from BSBC sharing the Gospel, as well as doing whatever was needed at the moment, at the Kansas State Fair. We were blessed to be a part of this mission! Each day, there were 7-12 of us serving the Lord in fellowship. Each day, the Lord drew people to Himself as the Gospel was shared! The Kansas State Fair is a huge event. However this type of ministry doesn't need a huge event. It can be done at a weekend carnival, festival, or a one-day block party. In other words, "You can do this!" If you believe you may be interested in this type of ministry for an upcoming event, please contact us. It would be our privilege to help you reach out to your community for Christ!

## **Looking Ahead**

Men, the 2022 Mission to Mardi Gras is Feb. 24th - March 1st. Please be in prayer regarding your participation in this mission for our Lord. If you would like to know more, please contact me.

H.R. 3755, the Women's Health Protection Act was passed by the House of Representatives on Sept. 24th. It is headed for the Senate. Among all the evils promoted by this bill, here are two:

- Abortion on demand for any reason.
- The nullification of present and future abortion restrictions in all states. The ramifications for state's rights that are inherent in this are immense if such a precedent is set.

Please pray for the Lord's intervention to stop this evil. Then contact your Senators asking them to vote against it if it comes to the floor. As well, contact President Biden requesting that he not sign this bill if it makes it to his desk.

**We ask for your prayers for the ongoing ministry of Call of Grace. We also request your prayers for the following:**

- Please stand in the gap for your Brothers and Sisters that we, as His people, would act with faith on the promise in 2 Chron 7:14.
- Please pray for our nation's leaders at every level.
  - Pray for the salvation of those who are lost.
  - Pray for those officials who know the Lord to stand for Him (and us) in His Wisdom and Grace.
- Please pray for the enemies of our nation. Jesus desires to change their hearts also.
- Please pray for the health care workers and support staff within the health care facilities.

***Is there something we can pray for you? If so, please let us know.***

Thank you for your prayers and support. Everything the Lord calls us to do is done with your help and we are thankful to the Lord for your service to Him with us. If He calls you to go on mission with us, wherever we go, or to help support a mission or any part of our ministry, please let us know. Likewise, if you or your church believe we could be of service to you as regards your evangelistic efforts, please contact us.

Until Jesus comes,

*Dennis & Cindy Mohr*

There is such value in working together. Not only do we get more accomplished, we create an atmosphere of harmony rather than disorder.
